

NIGHT OF NIGHTS

Presented by Audi

We invite you to become one of our Silent Auction donors at the 2018 Youth Focus Night of Nights presented by Audi and help make a difference in the lives of young Western Australians.

Over the past 15 years, the Youth Focus Night of Nights presented by Audi has established itself as one of Perth's premier charity events. While raising much-needed funds to support the vital work of Youth Focus, the event plays a key role in raising awareness of youth suicide within the corporate community of Western Australia.

Sadly, suicide remains the leading cause of death for young people in Western Australia. Youth Focus is an independent for-purpose organisation that aims to prevent youth suicide and to minimise the devastating impact that poor mental health has on young people in the community. Receiving only a small percentage of the required operating funds from government, Youth Focus relies heavily on the support of the local business community to maintain its unique services.

During 2018 Youth Focus will support more than 2,800 young people with free, face-to-face counselling, while a further 6,000 people will take part in its range of education programs. The work of Youth Focus is life-changing and life-saving.

Youth Focus operates with a team of highly skilled psychologists, social workers and occupational therapists to provide a range of early intervention and prevention services free of charge. The organisation's therapeutic face-to-face counselling services are aimed at supporting young people and their families to overcome the issues associated with suicide, depression, anxiety and self-harm.

The 2018 Youth Focus Night of Nights presented by Audi will once again be held at the magnificent Crown Perth on Saturday 1 September. The Silent Auction is a key feature of the event and presents a fantastic opportunity for you to profile your product and brand to a highly desirable target audience of Perth's corporate, community and social leaders while also supporting the vital work of Youth Focus.

In 2017 some of the items donated included designer sunglasses, an indoor skydiving voucher, a cooking class for 16 people, magnums of French champagne, a day at the races for two, signed sporting memorabilia as well as a variety of original art pieces, gym memberships, jewellery, premium wines and holiday getaways.

Last year's event raised more than \$445,000 to help Youth Focus maintain its services. We invite you to become a Silent Auction donor at the 2018 Youth Focus Night of Nights presented by Audi and help make a difference in the lives of young Western Australians suffering from mental health issues.

SILENT AUCTION DONOR

To be considered a Silent Auction donor the product or service donated must be valued at \$100 or higher.
